TOPLUS EMULSION
Interior Wall Finish

TOPLUS EMULSION

TOPLUS EMULSION is specially formulated emulsion paint for interior and exterior masonry. It provides a durable and attractive smooth finish on walls, tiles, stoneware and soft boards. TOPLUS EMULSION is easy to apply, and tends to resist. It is highly recommended for housing schemes where economy is priority.

Surface Preparation

Ensure the wall surface to be painted is clean, dry to dry out thoroughly and free from all defects or poor adhering material like dirt, grease or wax. Repair surface defects before painting. For best results, apply 1 coat of TOPLUS GP Wall Sealer 400 followed by 2 coats of TOPLUS EMULSION. Allow 1-2 hours drying between coats.
