PREMIUM INTERIOR WALL FINISH

SMART FRESH AIR A+ PRODUCT SERIES

NEW

What is the “A+ Emission Dans L’air Intérieur” score for SMART FRESH AIR?

French A+ is the highest rating in France’s mandatory VOC emissions labeling system for indoor building and furnishing products. It indicates that the product releases very low levels of volatile organic compounds (VOCs), making it safer for indoor air quality. Products such as paints, coatings, and wallpapers tested under this system must meet strict VOC limits after 28 days of evaluation.

Fresh Air A+ Eco Wall

Premium Matt Interior Wall Finish

Near-zero VOC, low-odour matte finish that hides wall imperfections. Anti-bacterial and eco-friendly—ideal for bedrooms, nurseries, and modern interiors.
