Product Features

Standard Application Procedure

Product Description

SMART BELLARTE BELLAPELLE is a premium leathered effect decorative wall finish that brings elegance, warmth, and sophistication to interior spaces. Its refined texture and subtle sheen create a luxurious decorative effect, transforming ordinary walls into timeless architectural features.

Theoretical Coverage

Bellapelle is designed to be applied in 2 coats.

Approximate Coverage: 3-4 m²/kg (2 coats).

Actual coverage may vary depending on substrate condition, surface profile, application method, and site conditions.

Application Condition

Apply only under the following conditions:

- Ambient temperature : Minimum 5°C
- Relative humidity : Maximum 85%
- Substrate moisture content : Maximum 10%

Ensure the substrate is flat, clean, sound, dry, and free from dust, grease, loose particles, and other contaminants before application.

Application Data

Touch Dry	: 2-3 hours
Hard Dry	: 6-8 hours
Recoating Interval	: min 8 hours
Full Cure	: 7 days

Dependent on temperature and humidity.

Application Method

Apply using a Easy Roller & Bellapelle Roller.

Recommended Coating System

Sealer:

Smart Bellarte Fondo

Luxury Wall Finish:

Smart Bellarte Collection

Topcoat / Finish Coat:

Smart Bellarte Protezione Matt / Gloss Finish

Precautions

- Stir thoroughly before use. Minor sedimentation is normal.
- Read the application instructions carefully before use.
- Ensure the work area is clean and well prepared before application.
- Avoid contact with eyes. In case of contact, rinse immediately with clean water.
- Store in a cool, dry place at room temperature. Avoid freezing.
- Apply using the recommended primer and protective topcoat system to achieve the intended decorative effect.
